Reno Recessed LED Downlighter with 360 Degree PIR Sensor - White

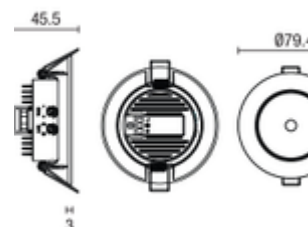

ZN-35690-WHT

ZINK

The Reno 8 Watt LED PIR Recessed Spotlights offers a modern, minimalist lighting solution with a white finish that complements various interiors. These integrated LED downlights feature a PIR sensor that activates the lights with motion, and the adjustable LUX setting allows you to control activation based on light levels. With a 6-meter detection range and an adjustable timer (10 seconds to 5 minutes), these spotlights offer both convenience and energy efficiency, perfect for illuminating your home without the need for switches. Ideal for any décor, they are rated IP20 for safe indoor use.
